Christian Courting

- Being involved romantically, with intention of potentially marrying. Comes before engagement
- During this season, a man courts a woman and the relationship is exclusive.

It's All About Character

- You have character if you act same when nobody is looking.
- You are not prepared to court seriously if you are not able to love sacrificially.
- You have character when you choose to love without an immediate benefit.

Sex Unites

- Do you not know that he who unites himself with a prostitute is one with her in body? For it is said, "The two will become one flesh. but he who unites himself with the Lord is one with him in spirit. (1 Corinthians 6:16)

Sex is Bonding

- Sexual activity is a bond – like glue.
- Any intimate activity begins the bonding process.
- Breaking the intimacy bond is emotionally painful

Sexual Restraint builds trust

- If you control your sexual passions with me until marriage,
- Then I can trust you to be faithful during marriage.

Three Principles

- Activities that build relationship are acceptable, but activities that progress toward sexual intercourse are dangerous.
- Sexual intimacy is a train that does not move backward.
- The level of intimate contact should be equal to the level of commitment to marriage.

Resist or Flee?

- Flee from sexual immorality. All other sins a man commits are outside his body, but he who sins sexually sins against his own body.
(1 Corinthians 6:17)
